## SIACAD :

## Installation Instructions

 Click on 'Install SIACAD Software' when the SIACAD 'Setup Options' appears.

2. Double click on 'for IntelliCAD' to install SIACAD for IntelliCAD.

3. After SIACAD installation process has completed, please remember to click 'Activate License'.

 Type in the 'Authorisation Code' when prompted. Take note that the code is in uppercase and consists of Alphabets only. Once the license is activated, 'Install Updates' for the latest version of IntelliCAD 6.6.
